ASSEMBLY

Stretch frame to size. 1

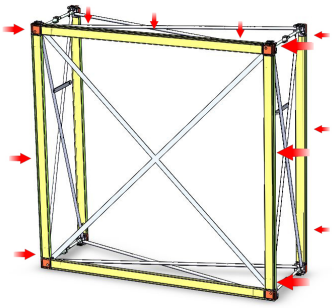

Snap all locking arms into place. 2

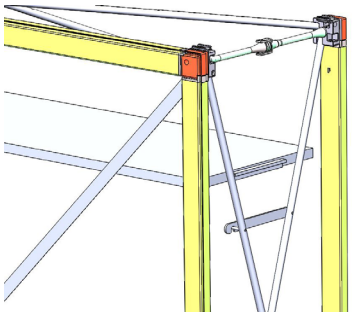

Slide channel bars onto front face of frame starting with the left and right sides. 3

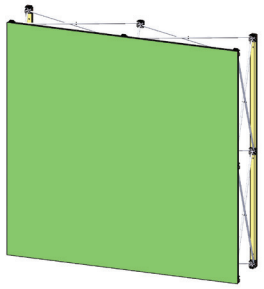

Then slide on bottom and top channel bars. 4

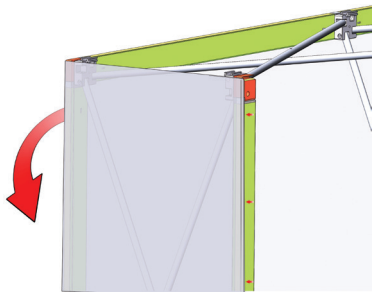

Add channel bars to back of frame. 5

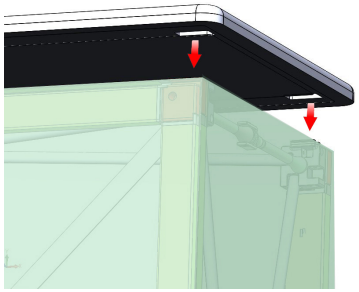

Attach the internal shelf to the locking bars on the left and right side walls of the counter. 6

Slide FCE graphic into channels located on the front side of the channel bars. 7

Insert FCE graphic end caps into rear facing channels. Be sure not to use side channels. 8

Attach counter top to counter by guiding dovetails into the channels of the counter top. 9
