

Trappa

Trappa frame edges snap open from the front to allow quick and easy graphic changes. No tools required. This sleek framing system features a set of spring-loaded aluminum extrusions mounted to a high-impact polystyrene backer. Available in black and silver. Comes standard with clear non-glare lens, fully assembled, ready to hang.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.
