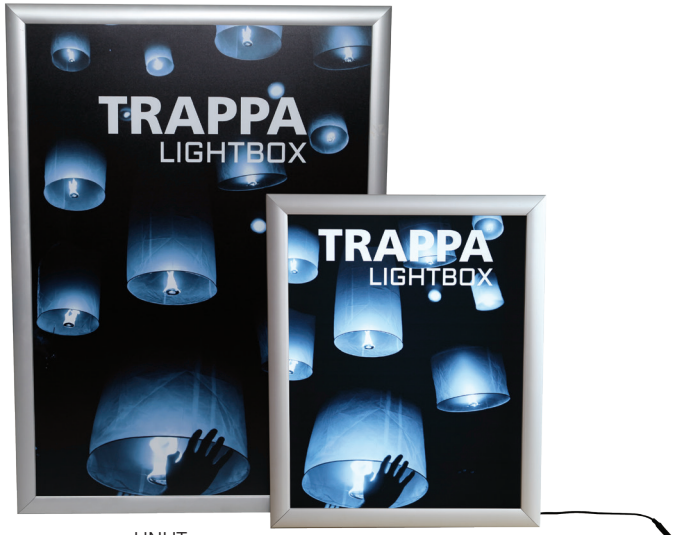
# Snap Frame LED Light Boxes

Snap Frame LED Light Boxes feature an edge-lit LED diffuser panel, a thin 1" profile and easy-to-use snap frame. The LED diffuser panel ensures even light distribution and brightness. Silver frames snap open from the front to allow quick and easy graphic changes. No tools are required. Comes standard with clear protective lenses, fully assembled and ready to hang! Snap Frame LED Light Boxes are ideal for permanent retail displays, corporate environments, eye-catching tradeshow graphics and more.



UNLIT LIT

*Frame lens is equipped with 2 protective films; one white film on front side and one clear film on back side. Be sure to remove both films at time of installation.
